

# Access to Mount Sandy

- Google maps will work, as long as you navigate to this GPS coordinate:
  - [-33.6800533,150.1708801](#)
- There are two routes, shown on the map on the right.
  - The blue route is recommended - it's easy and safe.
  - You should only take the grey route if you have a 4WD
- You **should save** a copy of the directions, as phone reception can be patchy
- You **must** leave gates as you found them:
  - Open gates stay open
  - Closed gates stay closed
- **Beware** of wildlife on the roads

# Access to Mount Sandy - recommended route

1. Navigate to [Cullenbenbong and table rock road](#)
2. Follow the road along the orange line. Your view should match the two photos at the points marked on the map.
  - a. The second photo is the gate to the property. We'll put up a sign saying "Richard & Janice" to make it clear.
